DEAR COUSINS, BONJOUR,

The time has arrived for you to renew your membership in the Association of the Blanchet and Blanchette Families of America. The members of our Administrative Board hope for the pleasure of counting you as a member of our great family in the year 2022.

How your membership and gifts are used

The money received is used to support the three annual meetings of the Council; to cover the cost of publishing *Le Tissu Blanchet;* to pay for the cost of joining the Federation of the Founding Families in Quebec (FAFQ) which provides us with insurance for the members of the Administrative Council, to support the shipping of our publication as well as the storage of all documents; to pay secretarial and operative costs. Let us not forget that the members of the Council offer their time freely and often pay expenses from their own pocket.

The advantages of being a member

- The regular reception of our bulletin *Le Tissu Blanchet*
- Free access to genealogical information held by the Association
- Participation in the annual general assembly (with personal expenses for some of the activities) and other planned public activities
- Access to our Internet site which provides interesting information
- Access to the Association's promotional articles (books, crests, pins, etc.).
