Blanchet and Blanchette Family Association of America.

To our American and English Canadian friends, Hello!

You are our loyal members of the Blanchet and Blanchette Family Association of America and you receive the Tissu Blanchet three times a year.

Due to the small number of English-speaking members, we are no longer able to print the Tissu Blanchet in English and send it to you.

However, you will find it translated into English on our Association's website:

<http://www.familles-blanchet.ca>

Onglet : publication

Onglet : Notre bulletin (anglais)

You will find there the 2 complete publications of 2022 in English:

2022-01: [Tissu Vol 27 No 1](#)

2022-05: [Tissu Vol 27 No 2](#)

This electronic publication has some advantage. You can print what you need. The magazine becomes more easily sharable with your friends and relatives.

Thank you for understanding.

Paul-Yvon Blanchette, president.
